

Kirkby & Great Broughton CE School

Friday 2nd February 2023

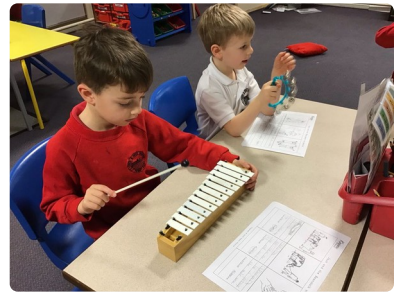

Reading News

At school we love reading! The staff and children alike are being encouraged to discover new authors and try new books. It was great to hear positive feedback on this in the Parents' Forum. Watch out for more news on this and plans for World Book Day on March 7th. In the meantime here are some recommendations from Year 6.

Marvellous Musicians

This week year 1 and 2 followed story boards that they had made and used instruments to tell a story. They used their knowledge of dynamics (volume), timbre (quality of sound) and tempo to tell the story of how each character felt.

As part of their unit on Holi- the festival colour, Class 3 have been creating vocal compositions based on artists' work. They had to work together to layer sounds and consider pitch, tempo and looping.

Bikeability

Children in year 6 took part in Bike Ability last week. During the course, children spent time learning: how to check their bikes are safe; how to ride safely on the road; how to approach junctions; and signs and symbols of the highway code. The children worked hard and kept smiling despite the rather chilly weather! *by Year 6*
Great Perseverance everyone.

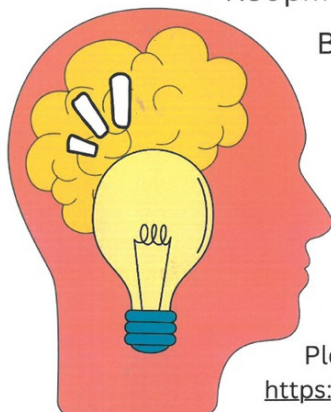

Friends' quiz

Have you got your tickets for the Friends of Kirkby School Quiz? Information is below. Please do come along, support our school whilst having a great time!

Friends of Kirkby and Great
Broughton School will be holding a

Quiz Night!

Doors open at 7pm for
7.30pm start

Bar and Raffle available

Please purchase tickets via
<https://tinyurl.com/QuizNight2023>

Tickets include Supper and a bonus raffle ticket!

SATURDAY 25TH OF FEBRUARY

Kirkby Church Hall, TS9 7AN

Wisdom of the Woods

Wisdom of the Woods is continuing to enhance our curriculum. Class 4 are due to consolidate their skills in their day at Barn House Woods next week. To find out more about what and how children learn, have a look at the information David has put together below.

Family Worship

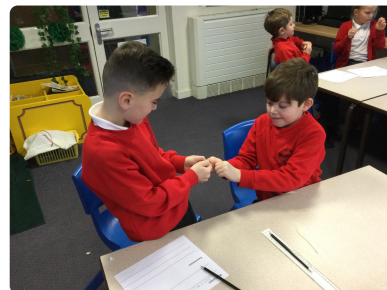

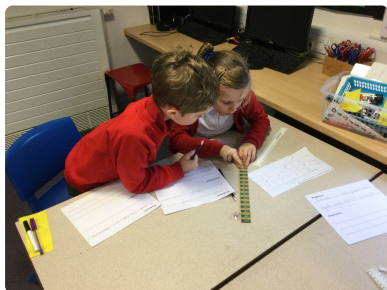

Everyone is welcome at St Augustine's Church, Kirkby this Sunday (5 February) at 9.30am for Praise, Worship and Fun.

All Welcome

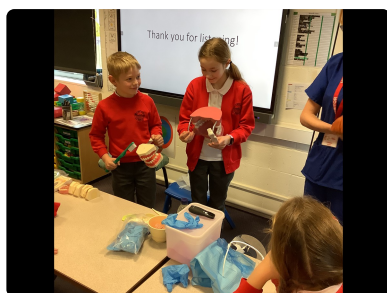

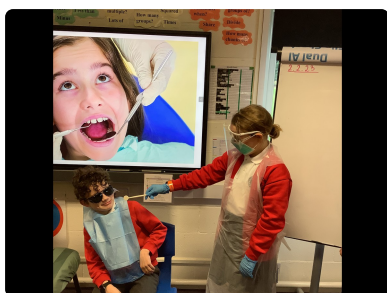

Fun with Science

Year 1 and 2 have been experimenting with different materials to see how they can change shape. Year 1 used their knowledge of properties to describe what was happening to the materials as they

bent, squashed, stretched, and twisted them. Year 2 conducted an experiment to see if the materials shape could be changed, making predictions, and discussing if these changes could be reversed or not.

Class 4 were lucky enough to receive a visit from Mrs Pearson this week to support their science learning about teeth. They looked at the importance of tooth hygiene and life as a dentist. An enormous thank you to Mrs Pearson for giving up your time.

Class 4's visit reminded us that breaktime snacks should be healthy (no crisps or sugary snacks) and children should only drink water through the day.

Parents' Forum

Thank you to those parents who attended the Parents' Forum last week. The PowerPoint can be found here. The next meeting will be at 9am in the School Hall on Wednesday 26th April.

5th- 9th June 2023 Y6 residential

Safeguarding at KGB

It is the role of all adults in a child's life to keep them safe and all staff in school have regular training in safeguarding and child protection. You can read our safeguarding policies on our website.

In our school the designated person for safeguarding is Mrs McCormick (who should be your first point of contact if you have any concerns), and we have two deputy safeguarding leads: Mrs Borwell and Miss Atkinson. We are here to support children and families so please do get in touch if you have any concerns about a child's well-being or would like some support as a family.

Kirkby and Great Broughton School supports the work of Operation Encompass (supporting families dealing with domestic violence) and Mrs McCormick is the trained Key Person.
