Friday 24h June 2022

Fun in the Sun

The children have taken full advantage of the fantastic summer weather, enjoying the playtime equipment on offer on the Huff and Puff trolley and seeking shade whilst sharing a story in our Reading Shed. A big 'thank you' to the Y6 Playleaders, who have organised games and supported the play of our younger children this week.

Rising Stars

As you will have seen from the letter home this week, our wraparound care has changed its name to be in keeping with our school vision. This week in 'Rising Stars', the children have been taking part in our summer countdown display. Each day a different child chooses a yellow square and opens a window. Behind each window the children have drawn a little picture but no one knows where their individual picture is hidden, it's a surprise each day. Each window represents one day nearer to the summer holidays hence

the name of our display 'Summer Countdown'. We're looking forward to meeting many of you at our launch of Rising Stars on Thursday 30th June after school.

Sally and Angie

Classes for September

As you may know we are saying a sad goodbye to Mrs Eleanor Wilkinson and Mrs Angela Walley at the end of term. This week we have had some new faces in school: having tours with some of the school council; teaching lessons and having lunch with the children, as we have been interviewing for next September. This week has made me so proud to be the headteacher of our school. Every candidate has said how wonderful the children are, how welcoming, polite and well mannered they are which is so true. Thank you children, you are all stars. I will be letting parents know about classes and teachers in September as soon as I possibly can when all the relevant checks are made on the successful candidates.

Involving parents

As you know at KGB we are keen to hear the views of parents. Hopefully you have received the consultation about the RSE policy (the policy and questionnaire can be found below).

Parents' forums are a great way of finding out the views of parents and we were able, after the Covid situation, to hold a successful one last term. I plan to make this a regular item every term next year and will endeavour to give parents as much notice as possible. Please also look out for a homework questionnaire and end of year survey which I would really appreciate being completed before the summer. Thank you.

Would you like support at home on how to speak to your child? *

Queen's Jubilee Book

Each family was gifted a special book last week to commemorate and celebrate the Platinum Jubilee. It is a journey back in time exploring the reign of Queen Elizabeth II and a souvenir to 'treasure forever'. If your family did not receive one please do let us know.

Y3,4,5 trip

Years 3, 4 and 5 were very excited to set off on their trip to the Bowes Museum today to take part in workshops to enhance their history learning about the Stone, Bronze and Iron Ages. I am sure we will find out about their adventures in the next newsletter.

Grooving Through the Decades

Key Stage 2 are busy preparing and rehearsing for this year's performance. More information will follow but you may want to 'Save The Date' (see dates below).

Dates for your diary
