

Kirkby & Great Broughton CE School

Friday 3rd May 2024

Mini First Aid

The whole school took part in Mini First Aid workshops last week. They learned about the basics of first aid, choking, burns, putting someone in the recovery position and the older children learned about resuscitation. Great life skills to have .

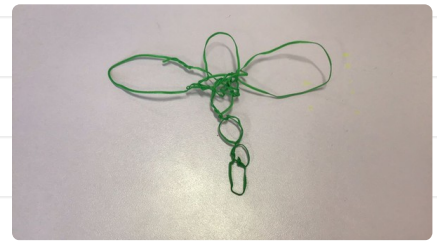

Multiple Medals

It was great to learn this week about some of our shining stars out of school. Toby and his football team the Riverside Juniors came FIRST in their league (with Great Ayton a close second I believe), Arthur won a national competition in gymnastics and Lucy did a swimathon swimming 1.5 km raising money for Cancer Research and Marie Curie. She raised a fabulous £78. Well done all.

Sculptors across the School

In art and design some of our classes have been learning about different form of 3d art. Using a range of media, including card in year 1 and wire and even soap in Years 3 and 4, children have been exploring different ways of creating sculptures. It has been good to see the progression of knowledge throughout the school too.

Rogation prayers

Our Worship Team joined the Year One class on Wednesday for a special worship in the church yard. After a nature walk, Reverend Anne led prayers to the farmers asking God for plentiful crops this year.

Sports Cub - Free Membership

Hopefully your child has passed on to you information about how you can claim their FREE membership to Gt Broughton & Kirby Sports Club courtesy of the Wainstones Hotel. Karl from the club came into school last week to share this exciting news and already some of our children have taken advantage of this during their PE lessons or have gone for a visit to see what is there. Scanning the bar code and registering your child enables them to access the facilities. How about starting by attending the Tennis Open day? (see the poster below)

or Football Training

Saturday 9.30am to 10.30am.

For ages between 5 and 11.

Safeguarding at KGB

Check out this video for the top 5 internet safety tips for parents.

The Top Internet Safety Tips Every Parent Needs to Know

Top 5 Internet Safety Tips

It is the role of all adults in a child's life to keep them safe and all staff in school have regular training in safeguarding and child protection. You can read our safeguarding policies on our website. In our school the designated person for safeguarding is Mrs McCormick (who should be your first point of contact if you have any concerns), and we have two deputy safeguarding leads: Mrs Borwell and Miss Atkinson. We are here to support children and families so please do get in touch if you have any concerns about a child's well-being or would like some support as a family.

Attendance Matters

Please see below about information from the NHS regarding illness. Attached also is our 'Attendance Matters' guide for parents which outlines the impact of taking your children out of school. Thank you for your support.

Please be aware that only applications for term time absences that have been AUTHORISED will be formally acknowledged. If you have not received a letter the absence will be marked as unauthorised.
