Friday 28th June 2024

## Summer Fair

We hope you enjoyed the Summer Fair this evening as much as we did. There were so many exciting things to choose from. From games, art, Wisdom of the Woods, bouncy slides and 'Hook a Duck'. We were visited by both the police and fire services and children were able to explore the vehicles...and some even got locked up! It was a fabulous success and enormous thanks must go to the PTA team who give up their time to organise and run (and tidy up after) these events to raise money for your children. More information about how much was raised to follow.

It has been decided that due to a very busy end of term, the postponed colour run will take place as part of our 50th birthday celebrations next term.

**Come and Join the PTA...this is the fun they have!**

## *East Barnby*

Year 6 had an amazing time at East Barnby last week and were a credit to the school.

Here are some of the children's memories:

*"Orienteering was full of new adventures and tough challenges that we overcame and found a solution for every problem that occurred. Not only did you have to trust your knowledge in map reading you also had to have faith in your teammates. Orienteering was a fun experience that challenged ourselves and we had to believe that we could read a map without getting lost."*

*"Bodyboarding was fantastic! We had an amazing time in the sea. The waves were as huge as skyscrapers as they crashed down on us like thunder."*

*"East Barnby has taught us the power of working together. For example, it is really difficult to canoe alone because each seat has a job. We also learned to persevere, because in climbing not that many of us could get to the top the first time, but we kept trying and most of us eventually did it."*

A huge thank you to Mrs Johnson, Mrs Clegg and Mrs Clayton who gave up their time so that the children could have this experience.

## Jarrow Hall

On Tuesday Year 1 and Year 2 visited Jarrow Hall as part of our Living Things and Their Habitats Science topic. Jarrow Hall is a working Anglo Saxon farming Village. Whilst we were there we visited the animals and learned a lot about how animals were used for work, battle and food during Anglo Saxon Times. We also learned how the animals survived off the land and how humans used their habitats at the time to survive. In the afternoon we had the opportunity to Milk the Milking Cow, grind flour, roll dough and turn cream into butter! We had an amazing day and the children were impeccably behaved. Jarrow Hall commented that the children gave some of the best answers to questions they had ever heard! Well done Year 1 and 2, we are really proud of your conduct and had a wonderful day with you all!

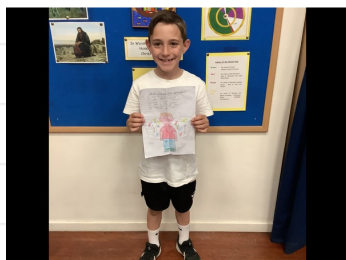

## Come Dine with Year 6

Year Six parents were served a treat on Wednesday when their children cooked them a 3 course Italian meal! Bruschetta, Spaghetti Bolognese and cup cakes went down a treat. Big thanks to our governor Mrs Whittaker and Mrs Johnson for organising such a feast!

## What makes you special?

The Anti-Bullying Ambassadors ran a competition linked to the story 'Perfectly Norman', which showed that we are all special in our own way and that we should never hide or be ashamed of this. The children were asked to show us what makes them special. Thank you to all the children that entered, there was some lovely pieces of work. Well done to Rupert in Year 3 who was our overall winner. He said that 'being kind and helpful to make others happy' made him special.

## Farewell to Mrs Kelly

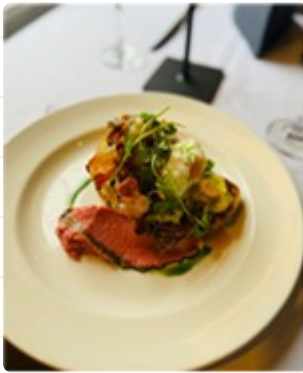

As you know Mrs Kelly is retiring after 22 years of dedication to the children of Kirkby and Great Broughton Nursery. On Friday 12th July there will be a small celebration to say our final 'Goodbye' and 'Thank you'. If anyone would like to join us please be at the school gate for 1130am. It would be lovely for Mrs Kelly to catch up with some old faces too! Thank you

## Sunflower Winners

We welcomed the Church Eco Group back into school on Monday to present prizes for the Ukraine sunflower competition. Judith explained what a difficult job it was top judge and everyone who entered received a small prize. Reverend Anne presented other prizes to our school's winners: Harriet, John and Teddy and Teddie. Well done everyone.

## 50th Birthday Competition

Don't forget our Mosaic Competition...

Children are invited to design a mosaic commemorating the school's 50th birthday, on a **LANDSCAPE** piece of A4. This can just be a picture; it does not need to be in a mosaic style. The final design will then be composed which may be one of the designs or a mix of a couple.

Please send designs into school by **15th July** so the mosaic will be ready to make in September.

## Reminders about September

Just a few gentle reminders of things you may have missed in correspondence:

ALL children in Reception - Y6 will start school at 8.45 and finish at 3.15

## Safeguarding at KGB

It is the role of all adults in a child's life to keep them safe and all staff in school have regular training in safeguarding and child protection. You can read our safeguarding policies on our website. In our school the designated person for safeguarding is Mrs McCormick (who should be your first point of contact if you have any concerns), and we have two deputy safeguarding leads: Mrs Borwell and Miss Atkinson. We are here to support children and families so please do get in touch if you have any concerns about a child's well-being or would like some support as a family.

## Attendance Matters

Please see below about information from the NHS regarding illness. Attached also is our 'Attendance Matters' guide for parents which outlines the impact of taking your children out of school. Thank you for your support.

Please be aware that only applications for term time absences that have been AUTHORISED will be formally acknowledged. If you have not received a letter the absence will be marked as unauthorised.
